

Series: LRA-HZ

Light duty swivel castors with bolt hole fitting

 40 - 60 kg

Brackets: LRA Series - Pressed steel, with double ball bearing in the swivel head, bolted wheel axle, zinc-plated.
Detailed description: Page 59 and 76.

Wheels: HZ Series - Made of high-quality beech wood, natural colour, transparent lacquer coating, plain bearing. As beech wood is a natural raw material, different grain patterns are possible.

For design applications in residential areas.

Detailed description: Page 114 and 32.
